Golf - Two golf tournaments are held every year in June and August. Each have their own committee and planning begins 3-4 months prior to the event.

Sporting Clay Shoot - This annual event is held at the Oak Creek Sporting Club in October. It is set up like a golf tournament where teams of five travel from station to station to shoot at a number of clays released in a pre-planned sequence. Planning for this event begins in July.

Program Committee - This committee helps coordinate General Membership Meetings which are held once a month. The group assists in lining up interesting programs, sponsors, etc.

HOME PAC/Political Action Committee - Although anyone can attend these monthly

meetings, voting rights require a \$100 contribution to HOME PAC. Members of this committee interview City Council, County Commissioner, mayoral and legislature candidates, offer them financial support and work on their campaigns.

Education - Continuing education is an important part of anyone's career. The Education Committee periodically schedules classes based on feedback from members, regulation changes and issues facing the building industry.

Membership - The heart of any association is its members. It is just as important to bring new members into the association as it is to keep them there.
